

## Palatine Jaycees New Member Cheat Sheet

### **Where do I find information on upcoming projects?**

- Palatine Jaycees Facebook Group: We are pretty active and add our projects to the group regularly: <https://www.facebook.com/groups/palatinejaycees/>
- GMs (General Meetings): This is where we present new projects, review current projects and recap projects. We meet the 3<sup>rd</sup> Thursday of the Month at Durty Nellies at 7:30 pm
- Insight Newsletter: We send one out every month to the members – look in your Spam/Promotions folder if you do not see it.
- Your Local Director: He/she will be in contact to help you stay informed

### **I have a great idea for a project, who do I contact to get it started?**

- Social gatherings and fun stuff – Andrea van der Hoek (Chapter Management VP)
- Community projects – Zach Kulig (Community VP)
- Fundraisers – Jen Hickman (Admin VP)
- Improving yourself and others – Ellen Dugosh (ID VP)

### **What do I need for a General Meeting (GM)?**

- Cash! We have a \$2 Miller Lite beverage fee and we have a raffle for a good cause.
- PMGs (Project Management Guide) if you are running a project. If you are asking for over \$300 from the chapter, you need to bring about 20 copies of the PMG to present to the chapter. We tend to kill a few trees in the Jaycees (but we diligently recycle!)
- Your attention: It is easy, especially at the end to quit paying attention. But pay attention!
- The Agenda: Grab one when you come in. It has the schedule for the evening. It also has the Creed
- on the back.
- Your index finger: Hold up your right index finger while we say the Jaycee Creed.

### **What projects are the Palatine Jaycees known for?**

- Hometown Fest
- Easter Egg Hunt
- Annual Christmas Tree Sale

### **Who do the Palatine Jaycees partner with in the community?**

- Palatine Park District
- Village of Palatine
- Palatine Township
- Palatine School District #15 and District #211
- Palatine Chamber of Commerce
- Palatine Kiwanis
- Palatine American Legion Post 690
