This **FREE** scavenger hunt is intended to help you get the most out of Hometown Fest, attend different events, discover new locations each day, have fun and have a chance to win prizes!

Participants must register at the Palatine Jaycees Membership both next to the beer tent. Registration and the hunt run 3 pm on Thursday, July 1 and continues through Monday, July 5. The earlier you register and start playing, the more clues you will be able to answer!

## **HOW TO PLAY:**

- Create your unique username. Have fun, but make sure to keep it appropriate!
- Download the app to your phone or other device! The device must be capable of scanning, downloading & uploading information and pictures, and you must allow the application access to your camera.
- Go to the App Store and download the Actionbound application. Open the application and search for your bound (the scavenger hunt) either through “find a bound” searching “Hometown Fest 2021” or scan the following QR code to find the hunt.
- Register your username and name in the app, accept the terms and conditions of the application and start the hunt!
- At the end of the hunt (or when you decide to stop) scroll down to the bottom of the clues and hit “finish bound” to submit your answers. Upload your responses then hit “send” to put you in the running to win!

The hunt consists of numerous clues, and some can only be answered on specific days of the fest. The clues do not need to be answered in the order they are listed though (*Hint:* you may want to preview questions and develop a strategy.)

Clues consisting of quiz questions or scanning QR codes will be scored automatically; however, clues where you have to take or upload a photo will be judged separately. Make sure to read the clues carefully to receive points! The HTF committee reserves the right to remove any inappropriate team names and delete any inappropriate photos as they deem necessary. Photos taken and uploaded for the scavenger hunt may be used in future Jaycees publications.

In the case of a tie in points, the team who completes the scavenger hunt the quickest will rank higher.

Please note: Active and associate members of the Jaycees and their families are more than welcome to participate but will not be eligible to win.

**As a reminder, the Palatine Jaycees are a volunteer organization. We are hoping the scavenger hunt doesn't have any kinks in it, but if it does, please be patient with us and still have fun!**
